

Hello to all my wonderful new students!!

First of all, I'd like to welcome you to a brand new program with Signature Studios—guitar lessons! I am very excited to be part of new ground and I'm glad you are all with me as we discover more about the guitar and music.

We will be exploring the guitar and theory in attempt to make sense of the music we hear all the time. I tried to find a guitar theory series but I was unsuccessful so I thought, why can't anybody offer this? So I decided to do it myself! I have been working on developing a theory curriculum for guitar you all.
